- Participation Certificate for every student

"I am happy my parents enrolled me for this Global Certification from America. I am now certified "Global Young Sustainability Champion". After completing my Basic Level, I immediately cracked my Advanced level too.

I would like to thank my school principal to offer this certification to all students in the school. I am sure this certification will benefit me in my college too.

Thank you CASI"

Student: Ishita Paul
Billabong High International School, Thane
2017

Frequently Asked Questions

1) Why should my son / daughter give this exam?

- a. The transition from a school student to a college student is a challenge. Such a transition takes more than a good marks and soft skills. It requires a fundamental change in thinking. To be effective in a college or work life, young minds have to grasp knowledge through multiple streams including concepts of science, mathematics and more importantly societal concept of CSR and sustainable development.
- b. All corporates and colleges understand the importance of your child's exposure to CSR, Banking and Finance. Such a certification is definitely welcome by colleges during the admissions process.

2) Is CaSI Certification Recognized?

- a. CaSI is the Global certification Body for CSR & Sustainability
- b. The Global mentoring Board at CaSI is based in 50+ countries
- c. CaSI has Honorary Regional Directors / Office Bearers who serve on an honorary basis. We have over 100 such honorary office bearers working for almost all global corporates.
- d. CaSI has tie-ups with various Educational institutes for CSR & Sustainability and Finance education

3) Can I give this exam directly without my school / college getting registered?

- a. Yes, you can give this exam even if your school / college does not believe in CSR or Sustainability or for some reason does not participate.

4) Which cities can I appear for the exam?

- a. CaSI will hold examinations at all major cities – Offline. We also conduct exams online: www.casixams.com
- b. CaSI also has Global Certifications for working professionals and professors. For further details, please reach out to our representative

5) Why is learning CSR & Sustainability / Banking & Finance important?

- a. Europe and USA are world leaders in these concepts; India is undergoing a major transition and will soon join the world's leaders. Every corporate is today forced to look at these concepts seriously; even colleges are making this a compulsory subject. This is the right time for your child to learn these concepts.
- b. Knowledge of sustainable development enables your child to understand not only about environment sciences and social norms but also familiarizes them with concepts of "Reuse, Recycle and Reduce"

6) Does CaSI have tie-ups with colleges?

- a. Yes, CaSI has formal tie-ups with multiple colleges (engineering, commerce & management, medical etc) in terms of student chapters.

7) Who are Honorary Regional Directors Serving at CaSI?

- a. An Honorary Office Bearer is a senior management professional serving CaSI on an Honorary Basis. CaSI has Honorary Office Bearers from almost all leading corporates and even Government employees from Europe and India.
- b. A partial list of such Honorary Office Bearers is available on our website, please have a look at www.csrand sustainability.com for details.
